

# Park Survey

Your mission is to carry out a survey of your local park. There is a lot to think about!

## Park Features

What surfaces are there to walk or run on?

Is the park flat or sloping?

Are there any buildings, structures or other features? There could be keeper's cottages, toilets, play equipment, sheds, seating, gates.

## Park Users

Who is in the park and what are they doing? Make a list on the back of this sheet.

Are there any special areas with trees and plants? Describe them here:

## Park Character

What is the character of the park? Put a circle around each word that applies:

urban/rural	bright/dark	open/enclosed
colourful/ drab	hard/soft	natural/manmade
welcoming/unfriendly	fun/boring	private/sociable
safe/unsafe	public/secretive	sheltered/exposed
quiet/noisy	busy/empty	happy/sad

## The Good the Bad, the Ugly

On your map of the park:

- mark anywhere you think is good with a smiley face
- mark anywhere you think is bad with a sad face
- think up your own symbol to show anything that you think is ugly

What's the very best thing about the park?

What's the very worst thing about the park?

If you were the park manager what would you do to make it the best park ever?
